International industrial fair, construction, engineering and metal industry fair "SARAJEVO INDUSTRY FAIR - SIF"

Dear,

We are pleased to invite you to the **3rd Sarajevo Industry Fair - SIF**, an important event in the industrial calendar that will take place from **28.05. to 30.05.2024.** at the **Hills Hotel** in Sarajevo.

The SIF brings together exhibitors and visitors from various sectors, including construction, mechanical engineering, and the metal industry. This fair serves as a platform to showcase the latest technologies, products, and innovations that are shaping the future of our industries.

A key feature of SIF is the networking opportunities it offers. Exhibitors can connect with potential clients, partners, and investors, making it a perfect venue for businesses looking to expand or enter new markets. Visitors will have the chance to explore the latest industry trends and find solutions to their business challenges.

In addition to the exhibition, SIF will feature a range of accompanying programs, including conferences, workshops, and panel discussions addressing crucial industry topics. These activities will provide participants with insights from industry experts, foster idea exchange, and discuss future development directions.

Events like SIF also contribute to strengthening the local economy and promoting innovation. By supporting local firms and encouraging collaboration across sectors, we aim to create new business opportunities and drive innovation.

We believe your presence would greatly enrich the event, and we would be delighted to see you there. For more information about the fair, exhibitors, or the program, please feel free to reach out. Looking forward to welcoming you to the **Sarajevo Industry Fair - SIF!**

Warm regards,

Organization Team "SIF"

International industrial fair, construction, engineering and metal industry fair "SARAJEVO INDUSTRY FAIR - SIF"

It is our pleasure to announce that the 3rd International industrial fair, building and metal industries fair called „SIF“ will be organized in the organization of PROFI TEAM.
Fair will be organized in the period from 28. until 30.05.2025. at the conference hall of the Hills Hotel.

On an area of 5,000 m² of closed space, which was designed according to the model of world fairs, and over 2,000 m² of open space, you will have a unique opportunity to present and promote your production potential and novelties, collections and trends, and to connect with business partners and improve your sales to the end to customers. The fair, as a place where supply and demand meet directly and a significant marketing factor, will enable you to get to know the competition, make direct business contacts, exchange experiences and ideas, that is, to learn about your own capabilities and qualities, and thereby certainly contribute to your increased competitiveness. At the Fair, you will also have the opportunity to directly sell your products to visitors.

From the moment of its establishment, the fair "SIF" strives to become a place of gathering and promotion of all significant producers from the region and Europe. We enable you to make your appearance at the Fair a kind of forum for the presentation of your products and services, as well as an environment in which visitors will feel comfortable.
In 2025, you will have the opportunity to achieve good sales results for three (3) fair days, both to end customers and to legal entities (business entities). We will definitely be at your disposal for any kind of help in the preparation and realization of your fair performance. The fair is the only sales and marketing medium that secures in advance qualified visitors to your company's stand in a direct (face to face) sales environment, who invest their valuable time and expenses to be at the fair. It is precisely for this reason that the fair truly represents an extraordinary marketing opportunity.

We also offer great conditions for the fair's marketing activity for the company's presentation, as a large number of media, distinguished personalities, but also professional buyers, directors, traders, company owners, managers, marketing managers, and potential investors will appear at the fair.

We, as organizers, want you as an exhibitor to set specific goals for your fair presentation that we can help you with. In order to set goals, you need to define exactly what you want from our fair, but we can help you with the following:
